

## Out Of Egypt

Out of Egypt Israel came  
Delivered from slavery at the Fathers command  
Set free to worship the Great "I AM"  
Out of Egypt Israel came

Freed from bondage sin and shame  
Delivered from slavery by the Passover Lamb  
Set free to worship the Living Word  
Freed from bondage sin and shame

To the earth Yeshua came to  
Heal broken hearts and set the captive free  
To comfort all who mourn, and give sight to the blind  
To the earth Yeshua came

## Out Of Egypt

It was a miracle, when Yahweh brought His people  
Out of Egypt's slavery toward the promise land  
It was a miracle when Israel crossed the Red Sea on dry land  
It was a miracle when blood upon the door post  
Saved all Israel's first born
