

He's The Son Of The Most High

He's the Son of the Most High

He's the One who came to die

And now He is lifted high

He's the Son of the Most High

Chorus

His name is Jesus, Emmanuel

He is the Prince of Peace

He came down to dwell

His name is Jesus, Messiah

The Anointed One

He died here upon a tree

He has rescued you and me

He has paid sins penalty

When He died upon a tree

He'll judge the living and the dead

As the Righteous ruling King

He will judge in Righteousness

He'll judge the living and the dead

We'll be with Him when He comes

He will dwell in His place

We will meet Him in the clouds

We'll be with Him when He comes
